## THE VILLA LAGO

6,159 Sq Ft

2 Story | 5 Bedrooms | 4+2 Half Baths

The Villa Lago is a fine example of some of the largest and most extravagant homes built by Design Tech Homes. This luxurious design is perfected by its Italian Mediterranean style and flair. The massive home still features very intimate options, including a half spiral staircase, a charming rotunda, as well as a brilliant, two-story covered patio. It is the essential home for hosting a party or a large family gathering.
